Building Permit Number _____	NDPDES Permit Number: _____
------------------------------	-----------------------------

<p>I hereby certify that I have received and reviewed a copy of the Storm Water Management Standards for the City of West Fargo and I am responsible for implementing, maintaining, and monitoring the effectiveness of the storm water management standards during construction on the lots listed above. I also understand that I may need to supplement or modify implemented protection measures as site conditions develop to control on-site erosion and ensure all site runoff is adequately treated by storm water controls. I will also be responsible for the actions of all subcontractors and delivery personnel at the worksite.</p>
